7.	A. General 8. Subcontracts 8.3. Subcontractors must meet the eligibility criteria and submit the same eligibility documents as the general contractor. Failure of a subcontractor to meet the eligibility criteria does not affect the eligibility of the general contractor for the Project. In such case, the portion intended to be subcontracted to the ineligible subcontractor shall be assumed by the general contractor.	Clarification Subcontractors must meet the eligibility criteria and submit the same eligibility documents as the general contractor; provided, however, that the requirement for a PhilGEPS Certificate of Registration (Platinum Membership) shall apply only to the Bidder/General Contractor and shall not be required from subcontractors. Subcontractors shall submit all other applicable eligibility documents and possess the required licenses and permits, including a valid PCAB License, where applicable. Failure of a subcontractor to meet the eligibility criteria does not affect the eligibility of the general contractor for the Project. In such case, the portion intended to be subcontracted to the ineligible subcontractor shall be assumed by the general contractor.	24
