GEA-WTE ADVISORY NO. 3

TO : ALL CONCERNED RENEWABLE ENERGY STAKEHOLDERS

DATE : 10 JULY 2026

SUBJECT : LIFTING OF SUSPENSION OF ACTIVITIES UNDER THE SPECIAL AUCTION ROUND FOR WASTE-TO-ENERGY AND EXTENSION OF REGISTRATION PERIOD

The Department of Energy hereby informs all interested participants and stakeholders in the renewable energy industry that Department Circular (DC) No. DC2026-07-0015[1], which amends DC2026-04-0011, was published on 10 July 2026, with immediate effect. The Second Supplemental Terms of Reference (TOR) of the Special Auction Round for Waste-to-Energy (WTE), together with the Updated Timeline of Activities, was posted on the DOE website on 10 July 2026.

The suspension of activities and proceedings under the Special Auction Round for WTE through GEA-WTE Advisory No. 2 dated 17 June 2026, is hereby **LIFTED**. Accordingly, all activities under the Special Auction Round for WTE shall resume effective immediately.

Stakeholders who have previously submitted their registration documents may, at their discretion, resubmit an updated and complete set of registration documents on or before the new registration deadline should they wish to reflect the revised Mechanical Completion Date (MCD), Delivery Commencement Date (DCD), and Work Program per the latest TOR. For evaluation purposes, the most recent complete submission received by the DOE shall prevail.

All concerned parties are advised to regularly monitor official DOE and GEA issuances for further announcements, updates, and guidance.

Please be guided accordingly.

FELIX WILLIAM B. FUENTEBELLA
Undersecretary
Chairperson, GEA – Bids Evaluation and Awards Committee
